 Important Information about the *SOI News* subscription

The Scamp Owners International newsletter, the *SOI News*, has been delivered via E-mail since 2007, Number 1 of Volume IX. The new system has worked out well and all future issues will be distributed in this manner. No printed copies are produced or distributed. Each SOI member will receive each quarterly issue at their designated E-mail address. Of course, the newsletter can be printed out to obtain a hard copy if desired.

Please note: SOI Memberships run with the calendar year and members will receive the four issues published during that calendar year. To make this new system effective and efficient, each SOI subscription must carefully convey an E-mail address to be used for receiving their newsletters.

A Frequent question is “What if we don’t have an E-mail address?” Although this may appear to be a problem, it is merely a minor inconvenience. The solution is very easy. Everyone has a relative or friend who does receive E-mail regularly. Simply ask that person if he or she might be willing to accept your issues of the *SOI News* and print them for you. Carefully print their E-mail address in the appropriate space on this 2010 SOI News Subscription Form.

Your support of Scamp Owners International in the past has been greatly appreciated. This method of delivering the *SOI News* has insured its quality and timely delivery. Thanks.
